Dedicated to all of our street sisters who think they are alone. We were there and want to tell you in our words what it's like. We love you girls and there is hope.

Please contact Streetworks (address on the back)
if you would like to purchase or reproduce this book.

Remember...

See a doctor or nurse regularly.

Get tested for syphilis and other S.T.I's.

Trust yourself!

Keep your supports close.

Don't drink alcohol.

Eat, sleep and take care of yourself.

Have a safety plan.
